## Pittsburgh

PITTSBURGH, Nov. 10.—In the local market the greatest amount of interest appeared to be concentrated in the brewing shares, particularly in independent Brewing common, of which issue over 5,500 shares changed hands. This was said to be due to a statement made at the annual meeting that the company intended to pay a dividend on that issue. The stock gained over half a point and closed at 6 1/2.

Trading in the balance of the list was more of a perfunctory nature, although the session produced a new high record by Harbison-Walker common advancing 1/2 a share at 127.

## New York

NEW YORK, Nov. 10.—Regardless of political considerations, Wall street, or at least the most venturesome members of that community, continued yesterday to manifest their belief in basis and intrinsic conditions by free and confident buying of stocks, especially industrials, equipment of the semi-war variety and coppers.

Rails were relatively backward and sluggish and motors suffered from the same restraints so long observed in that particular group. The movement, as a whole, was obviously of professional origin, public interest holding aloof, in view of possible contingencies.

## Grain and Produce.

CHICAGO, Nov. 10.—Forcible upward swings in the wheat market yesterday carried wheat prices to the highest level yet this season for the May delivery. \$1.92 1/2 a bushel. A big export demand was chiefly responsible. The market closed strong, 2 1/2 c to 3 c net higher, with December at \$1.98 1/2 and May at \$1.92 1/2. Other leading staples, too, all showed gains—corn, 2 1/2 c to 3 c; oats, 1/2 c to 1 1/4 c; and provisions, 15c to 45c.

## Oil and Gas.

Fine weather and good roads are helping operators in starting work in all fields. It is quite evident that operators are determined to keep busy during the winter months. All the old districts show increased activity and wildcats are making a greater effort to find new producing territory than at any time during the year. The good producer drilled in a few days ago by the United Fuel Gas company, on the Imperial Colliery company's tract, Cabin creek, Cabin creek district, Kanawha county, makes the outlook promising for a northeast extension to the Berea grit pool on Long Bottom run in the district.

BEAUTIFUL HAIR,  
THICK, WAVY, FREE  
FROM DANDRUFF

DISAPPEARS AND THE HAIR  
HAIR AND DOUBLE ITS BEAU-  
TY AT ONCE.

SAVE YOUR HAIR! DANDRUFF  
DISAPPEARS AND THE HAIR  
STOPS COMING OUT.

Immediate?—Yes. Certain?—That's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after an application of Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating; stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, charming lustrous hair, and lots of it. If you will just get a 25-cent bottle of Danderine from any drug store or toilet counter and try it as directed.

## "And they brought him home"

These grey hairs came when they brought Will home, after the fire. Afterward, it was all I could do to pull myself together and think of some way to keep the children and not break up the home. Will was a good husband and it was not his fault we couldn't save much money. He was more than good—he was thoughtful, too. I found, then, that he'd taken out the AETNA TEN DOLLAR COMBINATION POLICY and that I was to have over \$3000 for it. Just think!—it cost him only \$10 a year to
